

We are not using the One Call System anymore; please follow the steps to put your cell phone in for Text Communications from our coaches. This is how we will communicate last minute changes to practices, cancellations due to weather, and events going on in the club.

1. Sign in at the Torpedoes website with your email address and password
2. Click "My Account" on left hand side of website
3. Choose "My Account" tab, there you should see your email address, mailing address, etc.
4. You can click "Add SMS" on right side; there you will provide your phone number.
5. Enter your cell number WITH AREA CODE and the cell carrier
6. Hit "send"
7. Wait for VERIFICATION CODE on your cell; this usually happens quickly; and then ENTER the verification code in the blank on website
8. Hit "verify"

*****you can add both parents, your swimmer's number, or even a grandparent if they are helping with the carpooling of your child*****
